

**REMARKS**

The specification was amended to remove all references to Figures 1-7 and to correct a typographical error. The parent application PCT/GB00/02903 was filed without figures. Applicants assert that the lack of drawings does not affect the understanding and practice of the invention. Applicants further assert that these amendments merely address clerical issues in the specification and do not present new matter.

**CONCLUSION**

Although Applicant believes no fees are due, the Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-1945, under Order No. CKFW-P01-008. Please direct any questions arising from this submission to the undersigned at (617) 951-7615.
